FOR PRINCES AND RICH MEN ONLY.

THE ROYAL YAKUTI

(ANANG VILAS.)

This Yakuti or life-giving nectar has been prepared from the best, choicest, and richest vegetable drugs. It has a wonderful property of increasing the virile power and rectifies all urinary disorders. In fact, it makes man a man. This valuable medicine is used in large quantities among Rajas, Maharajas, and many of our esteemed customers. But we have ventured to give it publication simply with a view to place it before the general public owing to the demand of several friends. It is needless to expatiate upon the magical qualities of this invaluable medicine. Suffice it to say that the use of this medicine is recommended to those who have any faith in the efficacy of Ayurvedic and Unani medicines. We recommend it also to those persons who desire to tone up the nervous system, to strengthen the body, to refresh the memory, and to guard against debility. It works like a charm and the effect is lasting. It replaces lost power and rejuvenates the emaciated, and it is enough to say that musk is not that which a perfumer admires, it is that which diffuses fragrance of its own accord. Price per tin containing 40 pills, Rupees ten only (1?s. 4d.), postage extra.

A NEW LINE FOR LABEL USERS.

THACKER'S
UNGUMMED ADHESIVE PAPER
FOR LABELS, Etc.

ALL users of labels have found difficulty in keeping gummed labels in India from sticking together into a solid block, and ungummed labels are messy, inconvenient, and time wasting. To avoid these disadvantages we have perfected an ungummed paper which will print well and will stick to glass or other smooth surfaces by simply wetting. It does not curl, will not stick together even in the wettest weather, and will print type, halftone, or three-color blocks perfectly, and lithograph in colors equally well.

TRY IT FOR YOUR NEXT LOT OF LABELS.
